The Honorable John McCone Director, Central Intelligence Agency Washington 25, D. C.

whn Dear Mr. McCone:

This is to express my appreciation for the four day orientation course in counter-subversive activities conducted by your agency for A.I.D. Public Safety Advisors.

Those in the first group, which finished April 18, were most complimentary of the course content and the outstanding qualifications of the instructors. I regard this as a good example of our cooperative effort through which we can achieve our overall U.S. objectives.

Sincerely yours,

David E. Bell
